Which makes learning how to publish a book way more difficult. Not to mention the fact that going through all that work to just land an agent isn't necessary if you want to publish a book. What's worse is even if they do open it, it's still unlikely that your book will be published and sold in bookstores! *Cue the groans and grumbles of irritation*. So is there a better method? Yes! It's called self-publishing. Here's how to publish a book step-by-step: [Decide Why You Want to Publish a Book](#). [Write Your Book](#). Whether you want to do it yourself or work with one of the many self-publishing companies out there, we can help. [What's the Difference Between Self-Publishing and Traditional Publishing?](#) It's easy to look at these two publishing routes and get confused.
