The novel on the black box the neighborhood debating school, but the real surprise is the dog, who has 20 eyes for the most part. The dog's antics are perfectly captured by a cartoonist in the "I Love Lucy" book, which is featured prominently in the novel. The book also includes a chapter on the history of dogs in art and literature, with a focus on their role in popular culture.

The novel delves into the world of dogs, exploring their behavior, intelligence, and emotions in a way that is both entertaining and educational. It is a must-read for dog lovers of all ages.
