CUSTOMER SERVICE

Have a question? Don't see what you need? Call toll-free: 800-258-1302 from 8:00am to 6:00pm (EST), Monday through Friday.

EASY PAYMENT

Credit Cards and P-Card

Please include credit card name, number, expiration date and authorized signature. Please keep your information secure, do not provide your credit card or P-Card information via e-mail.

WE ACCEPT    

PRIORITY SHIPPING

For expedited shipping on orders, call toll-free 800-258-1302 about priority shipping prices.

SHIPPING AND HANDLING

Standard Delivery

US (including AK and HI)	12% of your order
International	30% of your order

Minimum Charge

Continental US	\$5.00
AK, HI and International	\$15.00

Standard delivery is UPS Ground or equivalent. Overnight, second-day, and other shipping methods are available at an additional cost. Please ask your customer service representative for details.

LIVING MATERIALS

An additional charge applies to shipments of living materials. Items marked with an asterisk (*) include Live Organism Coupons. Please allow 3–4 weeks after you send in your coupon for delivery of living materials. Living materials are not returnable. **Should your living materials not arrive alive and healthy, you must notify Customer Service within 48 hours after arrival.** In the event of inclement weather your shipment could be delayed to ensure quality product. Living materials can only be shipped in the 48 contiguous states.

Additional Shipping Charges for Live Items

1–3 coupons	\$12.50
4–5 coupons	\$22.00
6 or more coupons	\$30.00

NOTE: All shipments contain more organisms than you will need for your activities. If a few organisms are dead on arrival, be sure to count the remaining organisms to determine if you have enough for your activities before calling for replacement.

100% Satisfaction GUARANTEE

We want you to be 100% satisfied. If for any reason you are unhappy with the products you have just received, please call 800-258-1302 within 10 days to report damages and up to 30 days to obtain a Return Authorization RA number for products in their original packing and in sellable condition. Product returned without authorization, additional items not part of the original authorization, or products arriving in an unsellable condition will not be eligible for credit and product will not be shipped back to the customer. Please note Custom orders are made to your specifications and may not be returned.

Prices are subject to change without notice. Although we make every effort to ensure our product specifications and pricing are 100% accurate, we are not responsible for typographical errors and we cannot guarantee third party pricing.

A common classification of the Lepidoptera involves their differentiation into butterflies and moths. Butterflies are a natural monophyletic group, often given the suborder Rhopalocera, which includes Papilionoidea (true butterflies), Hesperidae (skippers), and Hedylidae (butterfly moths). In this taxonomic scheme, moths belong to the suborder Heterocera. Other taxonomic schemes have been proposed; the most common putting the butterflies into the suborder Ditrysia and then the "superfamily Why are Butterflies and Moths grouped together on this page? Because they are scientifically categorized under the same Kingdom, Phylum, Class and Order and very closely related to one another. There are a total of 350 Butterflies and Moths in the Insect Identification database. Entries are listed below in alphabetical order (A-to-Z). User Tip.
