Key questions for the lecture: How do the objects from Buddhism illustrate the main tenets of the faith for the practitioner? How were they utilized to spread Buddhism throughout Southeast Asia and up into the Tibetan Plateau? What role did the trade routes play in the dissemination of Buddhism and the subsequent evolution of the image of Buddha and the Buddhist deities? Buddhist religious architecture developed in the Indian subcontinent. Three types of structures are associated with the religious architecture of early Buddhism: monasteries (viharas), places to venerate relics (stupas), and shrines or prayer halls (chaityas, also called chaitya grihas), which later came to be called temples in some places. The initial function of a stupa was the veneration and safe-guarding of the relics of Gautama Buddha. The earliest surviving example of a stupa is in Sanchi Sri Lanka art and architecture was deeply influenced by Buddhism, which was introduced to the island in the third century BCE by the son of Ashoka, Mahinda. Buddhist art and architecture are recorded as beginning with the arrival during the 3rd century BCE of the Buddhist monk Mahinda, the son of the Mauryan emperor Asoka. The *Mahāvamsa* also mentioned two Buddhist monks, Sona and Uttara, who are said to have been sent by King Asoka in the 3rd century BCE to a place called *Suvāṁṣābhūmā*, which translates as "Land of Gold." Scholars identify *Suvāṁṣābhūmā* either as the southern part of present-day Myanmar, in particular Thaton, or the central part of Thailand. Buddhist art refers to the rich and diverse representations of religious images, sculpture, dance, visual mythology, and symbols deriving from the various Buddhist communities found around the world. Buddhist art exhibits distinctive forms and characteristics reflecting the diverse cultures and countries in which it has spread. Early Buddhist art emerged in India and Sri Lanka following the death of Gautama Buddha (563 B.C.E. to 483 B.C.E.). This original, formative period of Buddhist art was aniconic in character (avoiding direct representation of the human figure). However, around the first "Famous street artist" invades Bhutan with Buddhist-inspired mosaics. And see also the artist's interview on the subject. Along the way, Lopez introduces key elements of Buddhism, including its basic doctrines, monastic institutions, works of art, and the many stories that have inspired Buddhist pilgrimage.
