The World Atlas of Wine by Hugh Johnson and (since 2003) Jancis Robinson, MW, is an atlas and reference work on the world of wine, published by Mitchell Beazley. It pioneered the use of wine-specific cartography to give wine a sense of place, and has since the first edition published in 1971 sold 4 million copies in 14 languages. Considered among the most significant wine publications to date, and it remains one of the most popular books on wine, with the most recent seventh edition published in

Editorial Reviews. Review. "The World Atlas of Wine is the single most important reference book on the shelf of any wine student."—Eric Asimov, New York Times. "The most useful single volume on wine ever published If I owned only one wine book, it would be this one."—Andrew Jefford, Decanter. "Like a good bottle of wine, you'll find yourself going back to it again and again Perfect for anyone who has a thirst for greater wine knowledge."—Edward Deitch, NBC/today.com. It is hard to overstate how important and influential The World Atlas of Wine has been. The first edition, written and by Hugh Johnson in 1971, gave the general public access to a detailed geographical view of not just wine countries and large regions, but towns and vineyards. The seventh edition will confirm the status of The World Atlas of Wine as the most essential and authoritative wine reference work. Reflecting the changing nature of the wine scene, the Atlas details developments in climate, technique and fashion as well as new regulations made over the last six years. A new Australian map highlights the importance of cool-climate regions as global warming takes effect, for example, while dynamic regions such as coastal Croatia, South Africa's Swartland and Ningxia in China are covered for the first time. The world's increasing appetite for wine is ma The World Atlas of Wine, 7th Edition. I've been drinking wine since I was a child and I've loved it ever since. My parents believed in a typically European way that children should drink watered-down wine at dinner on special occasions. As I've grown older, it has become more than just a pleasure, it has become a way of life and a voyage of discovery. A few years ago, my other half bought The World Atlas of Wine and ever since that time, we've enjoyed learning about what we're drinking and it has made us appreciate it all the more. I'm certainly not a wine snob we regularly buy bargai
