NOVEMBER TO DECEMBER 2017

**COLLEGE**

**ACCOUNTANCY**

Cabrera, M. E. B. & Cabrera, G. A. B. Management accounting : concepts and applications. 2017 edition. Manila, Philippines : GIC Enterprises & Co., Inc., 2017. FIL 658.1511 C117m 2017 **T42821 T42822 T42823 T42824 T42825**

Reflects changes occurring in the role of management accounting in business enterprises.

**BUSINESS ADMINISTRATION**

Clampitt, P. G. Communicating for managerial effectiveness : challenges, strategies, solutions. 6th edition. Los Angeles : SAGE, 2017. 658.45 C586c 2017 **T42808**

Skillfully integrates theory, research, and real-world case studies into models designed to guide thoughtful responses to complex communication issues, builds on the strategic principles and related tactics highlighted in previous editions to show readers how to add value to their organizations by communicating more effectively.

Gido, J., Clements, J. & Baker, R. Successful project management. Australia : Cengage Learning, 2018. 658.404 G453s 2018 **T42779**

Designed to present the essential skills readers need to make effective contributions and to have an immediate impact on the accomplishment of projects in which they are involved and prepares students with marketable and transferable skills and sends them into the workforce ready to apply project management knowledge and skills.

Martinelli, R. J., Waddell, J. M. & Rahschulte, T. J. Projects without boundaries : successfully leading teams and managing projects in a virtual world. New Jersey : Wiley, 2017. 658.4022 M385p 2017 **T42783**

Provide a powerful suite of best practices for building high-performance teams and consistently delivering successful project results in a virtual, distributed, and multicultural environment. It gives virtual project managers the tangible framework they need to effectively balance their time between managing the project and leading the team, which requires a strikingly different approach in the virtual workspace as compared to traditional projects with co-located teams.

**COMPUTER ENGINEERING**

Oklobdzija, V. G. (Ed.). Digital design and fabrication. Boca Raton : CRC Press, 2008. 621.39 D574 2008 **T42841**

Surveys the latest advances in computer architecture and design as well as the technologies used to manufacture and test them.

**COMPUTER SCIENCE**

Coronel, C. & Morris, S. Database systems : design, implementation, and management. 12th edition. Australia : Cengage Learning, 2017. 005.74 C822d 2017 **T42830**

Give students a solid foundation in database design and implementation with the practical and easy-to-understand approach.

Malik, D. S. C++ programming : from problem analysis to program design. 8th edition. Australia : Cengage Learning, 2018. 005.133 M251c 2018 **T42829**

Sklar, J. Web design. Second edition. Andover : Cengage Learning, 2012.  
005.72 S628w 2012 **T42854**

Leads you through the entire Web site creation process, from start to finish, while developing and enhancing your HTML, CSS, and visual design skills along the way. You will learn how to create accessible Web sites that let users easily and quickly navigate through your information, regardless of browser type, connection speed, or browsing device.

Sweeney, M. R. Visual Basic for testers. New York : Apress, 2001.  
005. S974v 2001 **T42855**

Teach readers how to use Visual Basic to increase their level of sophistication as a tester. Readers will learn how to use Visual Basic to write an automated testing project and what to look for in a well-written VB program.

Tahir, M. & Javed, K. ARM microprocessor systems : Cortex-M architecture, programming, and interfacing. Boca Raton : CRC Press, 2017.  
005.18 T128a 2017 **T42832**

Familiarize students with the effectiveness of microcontrollers so that they can design and develop their own embedded systems for many different appealing applications. This ensures students understand all the basic building blocks before the development of a real-life system and equip them with the many fundamental building blocks as well as their integration, allowing them to implement the applications they have dreamed up with minimum effort.

## **ECONOMICS**

Lin, B. C. & Zheng, S. (Eds.). Environmental economics and sustainability. United Kingdom : Wiley Blackwell, 2017. 333.7 E61 2017 **T42809**

Presents a collection of peer-reviewed research articles that reveal the current state of our knowledge in the increasingly important field of environmental economics. Featuring the latest research findings from renowned international experts in the field, reading also reveal a host of contemporary challenges and inspire directions for further study.

Mankiw, N. G. & Taylor, M. P. Macroeconomics. United Kingdom : Cengage Learning, 2017. 339 M278m 2017 **T42792**

Thoroughly updated to reflect modern thinking in Economics making it ever more relevant to your learning and assessment needs.

Nechyba, T. J. Microeconomics : an intuitive approach with calculus. 2nd edition. Australia : Cengage Learning, 2017. 338.5 N364m 2017 **T42805**

Tucker, I. B. Macroeconomics for today. 9th edition. Australia : Cengage Learning, 2017. 339 T892m 2017 **T42806**

Uses unique textual and visual learning system to present, reinforce and test the comprehension while teaching the basic concepts of economic principles.

## **ELECTRICAL ENGINEERING**

Vanek, F. M., Albright, L. D. & Angenent, L. T. Energy systems engineering : evaluation and implementation. Third edition. 621.4 V252e 2016 **T42745**

Discusses fossil, nuclear, and renewable energy and lays out technology-neutral, portfolio-based approaches to energy systems.

## **ENTREPRENEURSHIP**

Allen, K. & Meyer, E. C. Entrepreneurship : building a business. Columbus, OH : McGraw-Hill Education, 2016. 658.421 A427e 2016 **T42800**

## **FILIPINO**

de la Torre, V. R. Filipino cultural symbols, expressions, and brands. Makati City : Brown Movement for Cultural Advancement, 2015.  
FIL 306.09599 D341f 2015 **T42844**

Provides another texture of the Filipino identity - the images that point to or reveal diverse facets of the Filipino, the expressions he/she reveals himself/herself in and the brands that have engaged the popular imagination of the Filipino then and now. All in all, the book attempts to contribute to the written, printed materials that have similarly explored the subject matter.

#### **FINANCIAL MANAGEMENT**

Cabrera, M. E. B. Financial management : principles and applications : volume 1. Manila : GIC Enterprises & Co., Inc., 2015.  
FIL 658.15 C117f 2015 v.1 **T42811 T42812 T42813 T42814 T42815**

Cabrera, M. E. B. Financial management : principles and applications : volume 2. Manila : GIC Enterprises & Co., Inc., 2015.  
FIL 658.15 C117f 2015 v.2 **T42816 T42817 T42818 T42819 T42820**

#### **GENERAL INTEREST**

de la Torre, V. R. More grace and more magic. Makati City : Tower Book House, 2013. FIL 899.2104 D341m 2013 **T42842**

#### **HOTEL AND RESTAURANT MANAGEMENT / CULINARY ARTS**

Culinary essentials. Columbus, OH : McGraw-Hill Education, 2016.  
641.5 C967 2016 **T42798**

Shows the value of quality customer service to the dining experience and the role of foodservice management, standards, regulation and laws.

Duyff, R. L. Food, nutrition, and wellness. Columbus, OH : McGraw-Hill Education, 2016. 613.2 D988f 2016 **T42799**

Hotel management and operations. UAE : 3G Elearning. 647.94068 H832 2014  
**T42827**

Concentrates on what it is that managers have to achieve as the framework for improving managerial effectiveness.

Russo, D. (Ed.). Mastering knife skills. New York : Larsen & Keller, 2017.  
643.3 M423 2017 **T42826**

Provides immensely beneficial to professionals and students involved in this area. The extensive contents of this book provide the readers with a thorough understanding of this craft.

#### **INDUSTRIAL ENGINEERING**

Arezes, P. M. & Rodrigues de Carvalho, P. V. (Eds.). Ergonomics and human factors in safety management. Boca Raton : CRC Press, 2016.  
658.408 E67 2016 **T42758**

Intends to cover specific aspects of safety and human factors management, ranging from case studies to the development of theoretical models.

#### **INFORMATION SYSTEM**

Stair, R. M. & Reynolds, G. W. Fundamentals of information systems. Ninth edition. Australia : Cengage Learning, 2018. 025.04 S782f 2018 **T42803**  
Provide the best information systems text and accompanying materials for the first information systems course required for all business students.

Stair, R. M. & Reynolds, G. W. Principles of information systems. 13th edition. Australia : Cengage Learning, 2018. 025.04 S782p 2018  
**T42831**

#### **INFORMATION TECHNOLOGY**

Muller, V. C. (Ed). Risks artificial intelligence. Boca Raton : CRC Press, 2016. 006.3 R595 2016 **T42756**

Covers the latest research on the risks and future impacts of AI. It starts with an introduction to the problem of risk and the future of

artificial intelligence, followed by discussion on how predictions of its future have fared to date.

Palmer, M. Hands-on Microsoft Windows Server 2016. 2nd edition. Australia : Cengage Learning, 2018. 005.4476 P175h 2018 **T42838**

Offers you administrators skills to install and configure Windows server 2016, use Active Directory, set up server resources for clients, configure and manage printing services, manage data storage, manage network services, configure remote access for clients, create a virtual server, establish strong security, monitor a server, and create a reliable server environment.

#### **LAW**

Boado, L. D. Notes and cases on the revised penal code : act no. 3815, as amended. 2012 edition. Manila : Rex Book Store, 2012. FIL 345.599 B662n 2012 **T42740**

Reyes, L. B. The revised penal code : criminal law. 19th edition. Manila : Rex Book Store, 2017. FIL 345.599 R456r 2017 **T42743**  
Contains articles 1-113 of Book one.

Santiago, M. D. Constitutional law annotated : volume 1. Manila : Rex Book Store, Inc., 2015. FIL 342.599 S235c 2015 **T42742**

Includes articles on the National Territory, Declaration of Principles and State Policies, Bill of Rights, Citizenship, Suffrage, Legislative Department, Executive Department, Judicial Department, Constitutional Commissions, Local Government, Accountability of Public Officers, National Economy and Patrimony, Social Justice and Human Rights, Education, Science and Technology, Arts, Culture and Sports, The Family , General Provisions, Amendments or Revisions and Transitory Provisions.

Suarez, R. A. Statutory construction. Manila : Rex Book Store, Inc., 2015. FIL 348.022 S939s 2015 **T42741**

Serves as a convenient material in the search for the applicable rules of statutory construction employed to ascertain legislative intent and arrive at their proper applications.

#### **LIBRARY SCIENCE**

Atkinson, J. (Ed.). Quality and the academic library : reviewing, assessing and enhancing service provision. Amsterdam : Elsevier, 2016. 025.1977 Q1 2016 **T42848**

Provides an in depth review and analysis of quality management in academic libraries. A broad perspective of the subject is taken, including reviews of academic library services and approaches taken to quality assurance and assessment.

Daland, H. D. & Hidle, K. W. New roles for research librarians : meeting the expectations for research support. Amsterdam : Elsevier/Chandos Publishing, 2016. 025.5D136n 2016 **T42846**

Sets out to share some experiences from the view of a new librarian and a new postgraduate student. This book offers a practical approach to display tacit knowledge in regard to collaboration and communication in library-faculty partnerships.

McDonnell, P. (Ed.). The experiential library : transforming academic and research libraries through the power of experiential learning. Amsterdam : Elsevier, 2017. 027.7 E96 2017 **T42847**

Features contributions – in a relatively conversational, practical, and "how-to" format – from various academic libraries across broad educational levels that have implemented experiential learning programs, services, or resources to enhance the learning and development of both students and employees. As academic libraries seek ways to transform themselves and create collaborative synergies within and without their institutions, this timely book suggests exciting ways to integrate experiential learning into the library's offerings.

Szoniecky, S. & Bouhai, N. (Eds.). Collective intelligence and digital archives : towards knowledge ecosystems. London : ISTE Ltd./Wiley, 2017. 006.3824 C697 2017 v.1 **T42837**

Presents the most up-to-date research from different areas of digital archives to show how and why collective intelligence is being developed to organized and better communicate new masses of information.

Tripathi, A. & Lal, J. Library consortia : practical guide for library managers. Elsevier/Chandos Publishing : Amsterdam, 2016. 021.64 T8351 2016 **T42845**

Attempts to provide insight into library consortia and includes topics like consortia formation models, types of e-content, pricing, negotiations, and licensing. This book will be useful for library professionals and practitioners, students, and researchers.

## **MARKETING**

Iacobucci, D. Marketing management. Fifth edition. Australia : Cengage Learning, 2018. 658.8 I11m 2018 **T42791**

Provides the material that first-year MBA students need to gain a mastery of core concepts in marketing management and includes issues that can be organized around an easy-to-remember framework of 5Cs, STP, and 4Ps.

## **MATH**

Andrilli, S. & Hecker, D. Elementary linear algebra. Amsterdam : Elsevier, 2016. 512.5 A573e 2016 **T42748**

Provides 340 numbered examples in the text, at least one for each major concept or application, as well as for almost every theorem.

Gallian, J. A. Contemporary abstract algebra. Ninth edition. Australia : Cengage Learning, 2017. 512.02 G168c 2017 **T42749**

Provides a good mixture of more nearly 1700 computational and theoretical exercises appearing in each chapter that synthesize concepts from multiple chapters.

Ghagramani, S. Fundamentals of probability with stochastic processes. Third edition. Boca Raton : CRC Press, 2016. 519.222 G411f 2016 **T42763**

Presents probability in natural way: through interesting and instructive examples and exercises that motivate the theory, definitions, theorems, and methodology.

Mazumber, S. Numerical methods for partial differential equations : finite difference and finite volume methods. Amsterdam : Elsevier, 2016. 515.353 M476n 2016 **T42753**

Serves as a prerequisite for students who might go on to take additional courses in computational mechanics, computational fluid dynamics or computational electromagnetic.

McCormick, K., Salcedo, J., Peck, J., & Wheeler, A. SPSS statistics for data analysis and visualization. Indianapolis : Wiley, 2017. 519.5 M131s 2017 **T42833**

In depth study of advanced statistical techniques, data visualization tools, predictive analysis, and SPSS programming will enable you to take advantage of the many SPSS features that are often overlooked, making your work more efficient and accurate.

Olvido, L. R., Paez, T. F., Torreon, C. G. & Aquino, R. J. Pre-calculus : for senior high school. Mandaluyong City : Books Atbp. Publishing Corp., 2016. FIL 515 P923 2016 **T42784**

Prepared based on the new curriculum of Grade 11 under the Science, Technology, Engineering and Mathematics (STEM) track. It provides the mathematical foundation needed in calculus for students who wants to pursue engineering, mathematics or physical science courses in college.

Paulsen, W. Abstract algebra : an interactive approach. Second edition. Boca Raton : CRC Press, 2016. 512.02 P332a 2016 **T42750**

Offers a more traditional approach offering additional topics to the primary syllabus placed after primary topics are covered.

Woerderman, H. J. Advance linear algebra. Boca Raton : CRC Press, 2016.

512.5 W841a 2016 **T42755**

Features a student-friendly approach to the theory of linear algebra. Focuses on finite fields and complex numbers, and discusses matrix algebra over these field.

Zill, D. G. Differential equations with boundary-value problems : metric version. Ninth edition. Australia : Cengage Learning, 2018.

515.35 Z69d 2018 **T42795**

Provides greater emphasis to the concepts of piecewise-linear differential equations and solutions that involve non-elementary integrals.

#### **NURSING**

Almocera, E. V. Healthy foods healthy lives. Manila : Philippine Publishing House, 2017. FIL 613.2 A451h 2017 **T42849**

Presents the nutritional and health benefits of 90 different plant foods, grouped according to their color or pigment. Science, after all, makes a strong connection between the colors of foods and their natural healing properties.

Udan, J. Q. Comprehensive nursing licensure review book with NCLEX-RN Test-  
PREP. Malabon, Philippines : APD Educational Publishing House, 2017.

FIL 610.599076 U18c 2017 **T42851 T42852**

Udan, J. Q. Medical surgical nursing : concepts and clinical applications.

3rd edition. Malabon : APD Educational Publishing House, 2017.

FIL 610.7301 U18m 2002 **T42850**

Provides wide-ranging discussions on the care of clients with various medical-surgical disorders, applying the nursing process, the core of the Nursing practice.

#### **PROFESSIONAL COMPUTER**

Monk, E. F., Brady, J. A. & Mendelsohn, E. I. Problem-solving cases in  
Microsoft Access and Excel. Fifteenth annual edition. Australia :  
Cengage Learning, 2017. 005.7565 M745p 2017 **T42802**

Includes instructions and a case on data cleaning, a necessary step before data can be used in operations. It also contains a case on the differences between handling operational data and analytical data.

Pratt, P. J. & Last, M. Z. Microsoft Office 365 Access 2016 : comprehensive.  
Australia : Cengage Learning, 2017. 005.7565 P916m 2017 **T42801**

Offers features that provide users with better functionality and easier ways to work with the various files they create. Designed to work more optimally on mobile devices and online.

#### **PROFESSIONAL ENGINEERING**

Bonnema, G. M., Veenvliet, K. T. & Broenink, J. F. Systems design and  
engineering : facilitating multidisciplinary development projects. Boca  
Raton : CRC Press, 2016. 620.001171 B717s 2016 **T42835**

Help systems engineers develop the skills and thought process needed to successfully develop and implement engineered systems. Provide a "hands-on" approach for presenting material rather than concentrating on theory, as so often is the case in a classroom setting.

Brauer, R. Safety and health for engineers. 3rd edition. Hoboken, New Jersey  
: John Wiley & Sons, Inc., 2016. 620.86 B825s 2016 **T42751**

Helps engineers and safety and health practitioners reconcile safety and economic concerns using the latest cost-effective methods of ensuring safety in all facets of their work.

Buede, D. M. & Miller, W. D. The engineering design of systems : models and  
methods. Third edition. 620.001171 B928e 2016 **T42744**

Takes a model-based approach to key systems engineering design activities and introduces methods and models used in the real world.

Center for Chemical Process Safety of the American Institute of Chemical Engineers. Introduction to process safety for undergraduates and engineers. New York : American Institute of Chemical Engineers, 2016. 604.7 C397i 2016 **T42760**

Provides guidance to student chemical engineers and newly graduated engineers for the role that process safety plays in process plants.

Chandrasekaran, S. Health, safety, and environmental management in offshore and petroleum engineering. United Kingdom : John Wiley & Sons, 2016. 622.8 C456h 2016 **T42761**

Explains the concept in HSE through a simple and straightforward approach, which makes it comfortable for practicing engineers as well.

Guat, P. K. Engineering drawing & CAD. 7th edition. Singapore : McGraw-Hill Education, 2016. 604.2 G918e 2016 **T42757**

It helps in converting ideas into reality through drawing. This book helps both faculty and students to understand the concepts on their own.

Janicak, C. A. Safety metrics : tools and techniques for measuring safety performance. 3rd edition. Lanham : Bernan Press, 2015. 620.8601519 J33s 2015 **T42754**

Karmakar, N. C., Amin, E. MD. & Saha, J. K. Chipless RFID sensors. New Jersey : Wiley, 2016. 621.384192 K18c 2016 **T42790**

Presents various sensing techniques incorporated into chipless RFID systems and various passive microwave circuit designs to achieve compact, high data density, and highly sensitive tag sensors for a number of real-world ubiquitous sensing applications. It reviews the application of smart materials for microwave sensing and provides an overview of various micro-and nano-fabrication techniques with the potential to be used in the development of chipless RFID sensors.

Lee, J. G. Computational materials science : an introduction. Second edition. Boca Raton : CRC Press, 2017. 620.110113 L478c 2017 **T42796**

Covers the essentials of Computational Science and five tools and techniques to solve materials science problems using molecular dynamics (MD) and first-principles methods.

Madsen, D. A. & Madsen, D. P. Engineering drawing and design. 6th edition. Australia : Cengage Learning, 2017. 604.2 M183e 2017 **T42752**

More than 1,000 drafting and design problems are found throughout for basic to advanced challenging applications or for use individually or for team projects.

Moore, R. Electromagnetic composites handbook : models, measurement, and characterization. Second edition. 621.34 M823e 2016 **T42747**

Offers complete coverage of electromagnetic modeling and explains the characterization of composite materials from the theoretical, computational, and experimental points of view.

Payant, R. Emergency management for facility and property managers. New York : McGraw-Hill Education, 2016. 658.4056 P343e 2016 **T42746**

Shows the step-by-step on how to minimize property damage, reduce the risk of personal injury, and ensure business continuity - all while complying with the plethora of laws and regulations.

Prasad, M. N. V. & Shih, K. (Eds.). Environmental materials and waste : resource recovery and pollution prevention. Amsterdam : Elsevier, 2016. 628.44 E61 2016 **T42759**

Contains the latest information on environmental sustainability as a wide variety of natural resources are increasingly being exploited to meet the demands of a worldwide growing population and economy.

Pryke, S. Managing networks in project-based organisations. West Sussex, UK : Wiley Blackwell, 2017. 658.404 P973m 2017 **T42807**

Demonstrates how the principles of social network analysis can be used to provide a smarter, more efficient, holistic approach to managing complex projects.

Winn, G. L. Practical leadership skills for safety professionals and project engineers. Boca Raton : CRC Press, 2016. 620.00684 W776p 2016 **T42762**

It attempts to stage for a lifetime of leading and developing subordinates into leaders. It starts with a conscious decision to become a leader and not just an employee.

Zhan, W. & Ding, X. Lean six sigma and statistical tools for engineers and engineering managers. New York : Momentum Press, 2016.

658.4013 Z631 2016 **T42836**

Focuses on the introduction of the basic concepts, processes, and tools used in Lean Six Sigma. A unique feature of this book is the detailed discussion on Design for Six Sigma aided by computer modeling and simulation.

## **PSYCHOLOGY**

Chmiel, N., Fraccaroli, F. & Sverke, M. An introduction to work and organizational psychology : an international perspective. Third edition. West Sussex, UK : Wiley Blackwell, 2017. 158.7 I61 2017 **T42793**

Brings together the expertise of a fine selection of top-notch experts, who not only present the current state-of-the-art in their fields, but who, throughout the book, pay much attention to the current challenges of work and organizational psychology.

Fall, K. A., Holden, J. M. & Marquis, A. Theoretical models of counseling and psychotherapy. Third edition. New York : Routledge, 2017.

158.3 F194t 2017 **T42778**

Provides comprehensive overview of a variety of major counseling theory and focuses on the integration of different theoretical models. With new information on multiculturalism, diversity, and cutting-edge theories such as psychosynthesis, the book offers a detailed description of the philosophical basis for each theory as well as historical context and biographical information on each theory's founder.

Howard, S. Skills in psychodynamic : counselling and psychotherapy.

2nd edition. Los Angeles : Sage, 2017. 616.8914 H852s 2017 **T42834**

Includes new chapters on neuropsychology, its implications for theory and practice in therapy and on evidence based for the approach, informed by research and practice. With new material on short-term therapy in the public and voluntary sectors, and the current working conditions of therapists.

Lefkowitz, J. Ethics and values in industrial-organizational psychology.

Second edition. New York : Routledge, 2017. 174.91587 L488e 2017 **T42794**

Integrates work from moral philosophy, moral psychology, I-O psychology, and political and social economy, as well as business as it incorporates into a "framework for taking moral action" and presents a practical model for ethical decision making.

Wilson, M. Resource focused counselling and psychotherapy : an introduction.

London : Routledge, 2017. 616.8914 W751r 2017 **T42781**

Provides professionals with a comprehensive and integrative model of resource focused therapy, drawing upon clinical examples and the current range of research and theory surrounding this emerging approach. Additionally, the book contains a range of self-resourcing exercises and practices for each part of the integrative model, enabling individuals to develop self-resources for greater resilience and well-being in their own lives.

## **REAL ESTATE MANAGEMENT**

Haynes, B. P., Nunnington, N. & Eccles, T. Corporate real estate asset management : strategy and implementation. Second edition. London : Routledge, 2017. 333.3387068 H424c 2017 **T42797**

Presents a ten-point CREAM model that offers advice on issues such as sustainability, workplace productivity, real estate performance measurement, change management and customer focus. In addition, new case studies provide real-life examples of how corporations in the UK, USA, Hong Kong and Abu Dhabi actively manage their corporate real estate.

Luque, J. Rays of research on real estate development. New York : Business Expert Press, LLC., 2017. 333.7315 L966r 2017 **T42782**

Brings together some important results on this subject and is written in a pedagogical way and covers crucial aspects of this industry such as growth management and real options, land use regulations, mixed housing developments, taxes, externalities, housing affordability problems, land prices and uncertainty, public infrastructures, and housing supply.

O'Malley, P. Inside real estate : buy, sell and profit in any property market. Milton : John Wiley and Sons Australia, Ltd., 2017.  
333.338 054i 2017 **T42810**

Exposes the truth about the real estate industry. Whether you're looking to buy or sell a property, industry. It reveals the secrets, myths and pitfalls of the real estate game to show you how to cut through the spin and get a better deal.

#### **REFERENCE**

Oklobdzija, V. G. (Ed.). Digital systems and applications. Boca Raton : CRC Press, 2008. REF 621.39 041 2008 **T42840**

Features new chapters on parallelizing iterative heuristics, stream and wireless processors, and lightweight embedded systems.

Zandin, K. B. (Ed.). Maynard's industrial engineering handbook. Fifth edition. New York : McGraw-Hill, 2001. REF 658.5 M471 2001 **T42839**

Comprehensive, applications-oriented coverage of traditional and up-to-date IE topics.

#### **RELIGIOUS EDUCATION**

Salibay, E. T. Jr. Christian morality in contemporary society : a worktext and textbook for college students. Quezon City : C & E Publishing, Inc., 2008. FIL 248.4 S165c 2008 **T42853**

Uses the experiential approach in outlining the doctrinal aspects of the Church's teachings on living life the Christian way and helps college students answer the basic cognitive question, "Who am I?".

#### **SCIENCES**
