In *Diplomacy in a Globalizing World: Theories and Practices*, twenty-three respected scholars contribute to the debate about the changing nature of contemporary diplomacy and its future theoretical and practical directions. Filling a gap in the diplomacy textbook market, this unique volume balances breadth with depth and theory with practice, using cutting-edge comparisons to show that twenty-first century diplomacy is best understood as "complex diplomacy." Kerr, Pauline. & Wiseman, Geoffrey. (2013). *Diplomacy in a globalizing world : theories and practices*. New York : Oxford University Press, USA. MLA Citation.
