West Herts Ladies Team Debut

Congratulations to West Herts Cricket Club who last month for the first time in its 125-year history, hosted its first ladies cricket game. The newly formed ladies cricket team has been in training for the past 6 weeks with the aim of entering a league next season. To get the ladies ready, West Herts arranged a 30-over future playing a team, made up of a range of junior players, the ladies, whose ages range from teens to 40s (including two mothers), range from those who have never played to those with experience. The lady team was captained by Elin Kendal, who coordinated a promising feeling display. Opting to bat first, the ladies restricted the club team to 146 runs in 30 overs (with Tamzin Bells netting), taking one wicket (Bessie Thompson) and avding several times. Taking their turn to bat, the ladies scored 83 runs from 10 overs. At one point the team had a mother-daughter batting partnership and the ladies were bowled out for 83 total.
