At local government management level, emphasis will be on explaining the structures of local government management in relation to service provision, sources of income, delegated powers and accountability. HPPM 106 The Political Economy of Zimbabwe. The module will explore the colonial history of the country and its correlation with the economic, social and political circumstances currently facing the country.Â The module seeks to critically analyse the public policy making processes, interrelationships between policy formulation, execution, evaluation and revision, models of policy choices, citizen participation in policy making, and administrative responsibility in policy development. GS 201 Introduction to Gender Studies. Public policy is the principled guide to action taken by the administrative executive branches of the state with regard to a class of issues, in a manner consistent with law and institutional customs. There has recently been a movement for greater use of evidence in guiding policy decisions. Proponents of evidence-based policy argue that high quality scientific evidence, rather than tradition, intuition, or political ideology, should guide policy decisions.

Local government officials exhibit a variety of responses to morality issues involving "decency" (i.e., pornography, prostitution). The elite interview method has been applied to the study of politics and policy-making and to other social and organisational contexts, although it has been relatively little applied in a formal fashion in tourism research. Nevertheless it is a method that has the potential of enhancing the quality and quantity of research data given the power and influence of elite subjects. The Bachelor of Arts in Government - Emphasis in State and Local Policy prepares future leaders to effect positive change for communities and families. This bachelor's in public policy degree surveys the framework of local and state governments. There is a focus on the political and social landscape of Arizona. On-campus students find the learning community at GCU to be particularly dynamic and informative, given its close proximity to county, city and state headquarters. What is a Bachelor of Arts in Government Public Policy? The BA in Government with an Emphasis in State and Local Public Policy degree prepares students for a constantly changing political landscape. As a matter of public policy, many states promote local agricultural products to consumers through a state-sponsored agriculture promotion program. These programs seek to increase consumer awareness of and demand for in-state products, more. As a matter of public policy, many states promote local agricultural products to consumers through a state-sponsored agriculture promotion program. I will draw on 16 months' field research with residents, private suppliers and government agencies to analyse the techno-politics structuring human-water relationships in this complex and changing environment.
