Pastors Eugene & Nancy Strickland

NOVEMBER 2013

Greetings F.R.O.M.M. Family in the Name of Jesus ,
 Since we last spoke, much has happened— we met with the City Housing Authority regarding Dakota Park Apartments where the SEU students are sharing the Love of Jesus in many ways. They are WELL pleased with all that is going on in attitude changes among the children and even adults there. AND they are really wanting us to become involved in 2-3 other housing projects in that area ASAP. Amazingly enough was the fact that the Coordinator of Resident Services and her 2 assistants were all Christians. Isn't that just like the Lord?

We did drive to Cherokee, North Carolina to meet with several church pastors in the area. Of the three we spoke with, one has a great many needs for next summer. There is great potential for this church as the Pastors and congregation have a vision to reach their community. Pray about this, as there will be more shared at the reunion, and plans being formulated for a trip next summer.

Another new focus is in Guatemala, a Central American country, next year. Let me encourage you to get your passport.

Then there is Arizona Native Americans and the VBS's that were done for the last 3 years. Last year we began a Kidz Christmas Outreach giving shoe boxes filled with Christmas goodies & gifts for 76 children who lived on reservations there.

We are doing more of the same this year, but with a different twist. Nancy and I are going to drive the 2,400 miles and enjoy the festivities of the children's Christmas as well as encouraging the Pastors. We will go to three different locations dropping off the many gifts that you will have so kindly put together for them.

In light of this, please look on the back page of this letter to find the age groups that you would like to prepare a box or boxes for. A number of partners last year gave a box from each member of their families; some picked a boy and a girl to make a box for; while a good many filled a box full of gifts and goodies with all the love that they could give. Whatever you decide to do will be a blessing that these children will remember for many years.

We are looking forward to seeing EACH ONE of YOU at the Reunion next week. There will be some great door prizes, fantastic decorations and delicious food, as well as meaningful remarks. Now you may be planning to come, but Please call Nancy @ 907-301-0574 with your name & number attending. We are going to have a incredible evening, as special guests share what God has laid on their hearts. See you there!

In closing, we thank each of you for your prayers and financial support, but also your friendship, for we are all...Serving Together for a Great Harvest of Souls!

You are invited to F.R.O.M. Ministries

14th Annual Reunion

Saturday, November 16, 2013

Received for September	3,931.58
Shortfall	\$1,568.42

A location is a fixed place or position in space. If you are lost, you don't know your location. You can try to figure out your location by consulting a map or asking a friendly local who has a better sense of direction than you do. The noun location means the determination of something's position. If you are on a scavenger hunt, you have to determine the location of various random objects. So on
