## ***Sexuality Education For High-Risk Youth***

***by Steve Brown and Bill Taverner***

This completely updated and revised edition of ***STREETWISE TO SEX-WISE*** includes all the tools a professional needs to begin a sexuality education program for high-risk youth.

- ***Two series of lessons:***
  - 11 Lessons for Pre-Teens and Younger Teens (Ages 9 to 13)
  - 14 Lessons for Older Teens (Ages 14 to 19)
- ***Descriptive profiles of the sexual health concerns for four high-risk youth populations:***
  - Lesbian, Gay, Bisexual, and Transgender Youth
  - Teen Victims/Survivors of Child Sexual Abuse
  - Sexually Abusive Youth
  - Pregnant Teens and Teen Parents
- ***Step-by-step instructions for using role-play***
- ***Human sexuality questionnaire to evaluate the impact of lessons on students***

***STREETWISE TO SEX-WISE*** was designed for and successfully field tested with high-risk teens in the following settings:

- Residential treatment programs and group homes
- Shelters for runaway and homeless youth
- Foster care agencies
- Substance abuse programs
- Alternative schools
- Schools for emotionally disturbed children
- Special education classes
- Juvenile detention and correctional facilities
- Outpatient mental health programs
- Sexual abuse survivor groups
- Juvenile sex offender programs
- Inpatient and outpatient psychiatric programs
- Teen parent programs
- Support groups for lesbian and gay youth

*“This is a user-friendly comprehensive sexuality education manual for high-risk teens. It offers current state-of-the art methodology of sexuality education to teens in non-traditional settings who have limited academic skills and who may be resistant to classroom based learning. The lessons presented are simple, concrete and actively involve group members in the learning process. They address issues relating to values, attitudes and skills which is believed to lead to more positive behavior change in young people.”*

**Educator’s Update, February 2002**

The production of ***STREETWISE TO SEX-WISE*** was supported by a generous grant from **teenwire.com**.

***STREETWISE TO SEX-WISE*** has educator-friendly lesson plans, complete with worksheets and handouts. The lessons cover a wide range of sexuality topics and were created to actively involve teens who are at high-risk yet often have limited academic skills, and are resistant to traditional classroom-based learning.
