"Captain LAVENDER. Oh, yes. The Commissioner of Patents has issued very definite instructions as to the disclosure of information to anyone who is not entitled to receive it." "Senator MILLIKIN. Have these men been very carefully studied in the light of this particular problem?" "Captain LAVENDER. I would say "Yes," because the chief of the division has been a person of long service and he didn't come into that position except as his integrity, his reliability, and other characteristics were very well developed.
