The Hispanic Child: Speech, Language, Culture and Education is a multicultural book that addresses the issues and struggles of today's Hispanic school-age children. As Hispanics and Latinos are the fastest growing minority population, school-based speech-language pathologists and special educators need appropriate information in order to provide appropriate services. The book is made practical and accessible through the inclusion of "Best Practice" suggestions and the author's experiences. This book is meant to help all clinicians and educators understand their bilingual caseload, provide appropriate services and The Hispanic child: Speech, language, culture and education, 1-11, 2002. 2647\*. 2002.
