Bloom's Taxonomy Questions

Book Information:

Title: The Crunching Munching Caterpillar
Author: Sheridan Cain
Illustrator: Jack Tickle
Publisher: Reader's Choice Books, 2005, Fairfield, Iowa
Grade Level: 2nd - 3rd grade

Summary:

This book is about Caterpillar who is jealous of his friends Bumblebee, Sparrow, and Butterfly because they can all fly. Throughout the book Caterpillar munches and crunches his way through many leaves. Then he becomes extremely tired and falls into a deep sleep. When he finally awakens he becomes a beautiful butterfly that can fly high into the sky.

Bloom's Questions:

Knowledge:

What does Caterpillar munch and crunch on throughout the book?
~ This question asks for basic information that can be found directly in the text of the book.

Comprehension:

Restate the story in your own words.
~ This question demonstrates the students' understanding of the text.

Application:

What do you think might have happened if Caterpillar had not eaten so many leaves before he fell asleep?
~ This question asks students to predict what might have happened. Students must think about the situation in a new way.

Analysis:

Why do you think Caterpillar wished he could fly?
~ This question asks students to examine the motives, allowing students to make assumptions.

Synthesis:

Discuss the process of metamorphosis (Caterpillar becoming a butterfly).
~ This question asks students to organize the process of metamorphosis using the book as a guide, but coming up with detailed information by applying prior knowledge learned.

Evaluation:

Compare and contrast Caterpillar's life before and after he could fly? Explain if you would want to be Caterpillar before or after he could fly.
~ This question asks for student's personal opinions.

The Crunching Munching Caterpillar Format: Novelty book. Caterpillar longs to be able to fly! But all he can do is munch and crunch his way through a blackberry bush. Read full description.
