The Great Gatsby (1925) by F. Scott Fitzgerald is a short novel which takes place on Long Island during the Jazz Age and is commonly cited as one of the greatest novels of the 20th century. In my younger and more vulnerable years my father gave me some advice that I've been turning over in my mind ever since. "Whenever you feel like criticizing any one," he told me, "just remember that all the people in this world haven't had the advantages that you've had." The Great Gatsby study guide contains a biography of F. Scott Fitzgerald, literature essays, quiz questions, major themes, characters, and a full summary and analysis. About The Great Gatsby. The great Gatsby : the limits of wonder. Item Preview. remove-circle. The Great Gatsby. raways are something of a clan and we have a tradition that weâ€™re descended from the Dukes of Buccleuch, but the ac-tual founder of my line was my grandfatherâ€™s brother who came here in fifty-one, sent a substitute to the Civil War and started the wholesale hardware business that my father carries on today. I never saw this great-uncle but Iâ€™m supposed to look like himâ€”with special reference to the rather hard-boiled painting that hangs in Fatherâ€™s office.Â And so with the sunshine and the great bursts of leaves growing on the treesâ€”just as things grow in fast moviesâ€”I had that familiar conviction that life was beginning over again with the summer. Start reading The Great Gatsby on your Kindle in under a minute. Don't have a Kindle? Get your Kindle here, or download a FREE Kindle Reading App.Â And as I sat there brooding on the old, unknown world, I thought of Gatsbyâ€™s wonder when he first picked out the green light at the end of Daisyâ€™s dock. He had come a long way to this blue lawn, and his dream must have seemed so close that he could hardly fail to grasp it. He did not know that it was already behind him, somewhere back in that vast obscurity beyond the city, where the dark fields of the republic rolled on under the night.

Only Gatsby, the man who gives his name to this book, was exempt from my reaction â€” Gatsby, who represented everything for which I have an unaffected scorn. If personality is an unbroken series of successful gestures, then there was something gorgeous about him, some heightened sensitivity to the promises of life, as if he were related to one of those intricate machines that register earthquakes ten thousand miles away.Â I never saw this great-uncle, but Iâ€™m supposed to look like him â€” with special reference to the rather hard-boiled painting that hangs in fatherâ€™s office. I graduated from New Haven in 1915, just a quarter of a century after my father, and a little later I participated in that delayed Teutonic migration known as the Great War. The Great Gatsby is a recognized classic. Interestingly, the book did not sell very well during Fitzgeraldâ€™s lifetime, and when he died in 1940 he seemed to have regarded the book as a failure. When he died, scholars started to assess his work, and The Great Gatsby was recognized as an important work of literature. Besides its recognition, one must also think about its meaning for us in the present day. The â€œprohibitionâ€ period that he writes about was a strangely decadent period in America.Â I grew up hearing about The Great Gatsby but somehow never had to read it in any English course. I finally read it after college and am confused as to why it's a classic. It's an easy read, that's about the only positive thing I can say about it.
