## **Reflections 2012 - 'The Magic of a Moment'**

Does your child love to draw? Take pictures, paint, dance? Shoot movies? Make music? Write stories? Then Reflections is for you! Reflections is simply an art contest, sponsored by the national PTA! This year's theme? The Magic of a Moment. Students will compete at the school level, and winners will advance to city, district and maybe even the state level or beyond! Last year Crestview had 34 entries ~ let's blow that number out of the water in 2012! Go to CA PTA's website for more info: <http://www.capta.org/sections/programs/reflections.cfm>. See box on right of page, click 'More Information' for forms and category rules.

Volunteering offers vital help to people in need, worthwhile causes, and the community, but the benefits can be even greater for you, the volunteer. The right match can help you to find friends, connect with the community, learn new skills, and even advance your career. Giving to others can also help protect your mental and physical health. It can reduce stress, combat depression, keep you mentally stimulated, and provide a sense of purpose.
