Art Center. Ersha Island MAN LAP FONG | FEI Architects. Architecture. Designed by FEI Architects, Featuring a huge expanse of greenery surrounded by high-end residential development, museum and concert hall, the Ersha Island is actually the central park of Guangzhou. Haworth Tompkins have completed a new Performing Arts Centre for The Perse School in Cambridge. Peter Hall, naturally ventilated throughout, includes a 400 seat auditorium, an adaptable foyer space, and full back of house facilities. The Perse

Arguing as to whether architecture is, or is not, art is an old debate that can't be resolved, but a new academic project aims to research the positions and interests at stake in the question as they realign around developments in the visual arts such as the pavilion phenomenon. The Australian Research Council-funded research project, titled "œls Architecture Art?
